A New and Unique Choice for Charleston Meetings and Travel!

The Ramada Charleston is under-going a transformation. Located at the Charleston Conference Center, a two-hotel complex which includes the soon-to-be-rebranded Ramada Charleston and the Wingate by Wyndham, the Center boasts over 240 guest rooms including luxury suites. Renovations will begin summer of 2011 and will offer every convenience and luxury of a brand-new resort and conference hotel.

New conference space and meeting areas give conference planners a variety of options for dining and meeting experiences for thier attendees. The private function courtyard and large reception area are new additions as well as a new lobby entrance and restaurant.

The beautiful new indoor pool structure will include an indoor pool with wading area, hot tub, and a fitness center with new state-of-the-art equipment. In addition, the area will have an outdoor patio for sunbathing and gathering around a large outdoor fireplace in the evenings.
